[NAME],

With how much you love golf and skiing at Sunday River, we'd love to have you as a neighbor! I just found out there are available units. Would love to chat about how it's worked for us.

EMAIL TWO

Hi [NAME], [YOUR NAME] here!

Writing because it'd be great to have you guys as neighbors up at The Jordan.

We've had our Quarter Share for [x years] now, and it's been great for unplugging and spending time together. Don't know if you and [PARTNER] would be interested, but figured I'd mention it since you've been up there with us and have enjoyed it.

Give me a call if you want to chat about it. Also link here: <https://sundayriverliving.com/jordan-hotel>
